Silver Oak University, Ahmedabad, Gujarat	2022-2026
Bachelor of Technology in Computer Science and Engineering	
Govt Sr. Sec School Kalandri, Sirohi, Rajasthan	2021-2022
12th - Science (Mathematics Stream)	

TECHNICAL SKILLS

Frontend: HTML, CSS, Javascript, Bootstrap, Tailwind, Reactjs

Backend: Node.js, Express.js, Nest.js (Basics)

Database: MongoDB, MySQL

Dev Tools: VS code, PostMan, Git, GitHub, Netlify, Vercel

PROJECTS

E-Commerce Website

- Developed a fully responsive e-commerce website using React JS, featuring product listings, shopping cart, and checkout functionality.
- Implemented modular components (Product, Cart, Navbar, etc.) with React Router for seamless navigation across pages.
- Utilized React Hooks (useState, useEffect, Context API) for state management and dynamic UI updates.

Job Portal

- Developed a Job Portal Web App using MERN Stack (MongoDB, Express.js, React.js, Node.js).
- Implemented user authentication (JWT, bcrypt) with role-based access for User and Recruiter.
- Built features for job posting, search, filtering, and application management.
- Designed a responsive UI with dashboards for employers and candidates.

Zoom Clone

- Developed a full-stack video conferencing application replicating core features of Zoom using MERN stack (MongoDB, Express, React, Node.js).
 - Implemented real-time video & audio streaming with WebRTC and Socket.io for peer-to-peer communication.
 - Added features such as user authentication (JWT/Google OAuth), chat messaging, screen sharing, meeting scheduling, and recording functionality.
 - Designed a responsive UI with TailwindCSS/Material-UI for seamless cross-device experience.
-

CERTIFICATES

Full Stack Web Development - Apna College

- Gained hands-on experience in building responsive front-end applications and developing RESTful back-end APIs.

Full Stack Web Development - Felix IT Systems

- Built and deployed web applications with responsive frontends using React, Bootstrap, and Tailwind
- Worked on backend APIs with Node.js and Express.js

C Certified Programmer - SpyderWave Technologies
